I noticed that on the original report that was submitted the program used removed the item 2 in the package which was the actual report. Hopefully it remains attached to this e-mail.

Sorry for the confusion,

Rafael, attached is the Non-CBI report for Arada Ltd. The complete CBI report is being forwarded to you under separate cover.

Please review this and if there are any questions please get back to me and we will make sure they are answered to your satisfaction.
